

BAROTSE NATIONAL FREEDOM ALLIANCE (BNFA) MUNGU REGION 15TH MARCH 2019

NOTES TO THE NGAMBELA OF BAROTSELAND

The right Honourable Ngambela Mukela Manyande

We as Mungu region would like to express our disappointment in the manner the **SAA SIKALO KUTA** is dragging its legs in handling the issues presented to it by different groups of BNFA, an internationally recognised human rights defender organisation for the Barotse people.

On 8th December 2018 – Mungu Region, 18th January 2019, Kaoma, Kalabo, Seshake, Senanga, Kazungula and Livingstone regions presented and demanded you in your capacity and the Kuta to call the PIZO for all the people of Barotseland this march 2019. You decided to keep quite even after the BNFA National Executive made several attempts to ask you to appoint indunas to share ideas on issues affecting the Barotse people. We therefore put it before you that the people of Barotseland your honour are coming to welcome you on 27th March 2019 and arrival date is from 25th March. On 27th March 2019 ba to showelela Ngambela yo muncha.

The Ngambela must be well aware that the people of Barotseland want total independence of Barotseland. Not restoration, if you want to test the Waters put it to a vote, BNFA has done her homework and the independence and freedom is sweet.

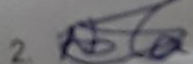

Your honour, we wish you to take note that the people of Barotseland do not take kindly anybody who derails the independence of Barotseland, if media reports are something to go by then we would wish to express our bitter anger on the utterances made on Saturday 2nd March 2019 reported by Barotse Watchdog by the following :-

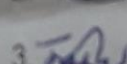

- I. Induna Kalonga – Lubasi Nalishuwa.
- II. Induna Namuyamba – Dominic Lisulo.
- III. Induna Mukulwakashiko – Mowa Zambwe.

for them to think the people of Barotseland want jobs from Zambia that thinking causes argon in the lives of our people. We invite all serious Barotse citizens to examine their statements and make an open stand. They don't own Barotseland or own the people. We challenge them to come and make that presentation on 27th march 2019. For us Self-determination is our goal, our pride. The Kuta must come out in the open whether they choose Zambia or Barotseland. The venue shall be the kuta in Limulunga Royal Village.
