## BNFA MONGU REGION

### Congratulatory message to the Chairperson General of BNFA: Mukwae Wabei Siyolwe. 18<sup>th</sup> May 2020

We members of Barotse National Freedom Alliance Mongu Region under our Executive, we do here by uphold, the resolution of our National Executive to elect you as the new BNFA Chairperson General to replace Mr C.W. Sinyinda who has since resigned.

This is a well deserved position for you, we acknowledge your role when you represented BNFA, and indeed Barotseland at the pre-session of the UPR on 10<sup>th</sup> October 2017. That exposed Zambia's Human Rights violations, repression, arrests on fabricated charges of Barotse activistist.

It is our great hope that where the boys have failed, the girls shall succeed. It is an urgent priority to mend the wounds of leaders falling prey to nepotism and to the oppressor's trap to receive material gifts or individual benefits, against the will of the down trodded. We challenge the New Executive to thread together a practice centered on the promotion of democratic struggles from grassroots in the local construction of forms of power and popular democracy. This is what we cherish from village, silalanda, silalo to regions. We are sure that, with you achievement of our goal for self-determination is certain.
